Friends of the Circus are a not for profit group who aim to provide support and raise the profile for the talented and committed performers in the “*Circus Arts Performance Troupe*” and “*Performance Stream*”.

We are parents and community members who work to raise funds for equipment, costumes and to assist with performance opportunities. We assist Circus Arts and endeavour to do whatever we can to enable them to continue enhancing the circus experience for the students.

Circus Arts provide the venue and coaches; plus support and networking from the Industry. The coaches and staff also generously support FOTC and Troupe with their time,

Belinda Hultgren has created a space that is a unique combination of fun, solace, safe haven and professional circus training arena. Circus by its very nature offers something for everyone and a place for all to shine. The non competitive, encouraging and supportive environment Belinda has fostered creates a platform from which students can achieve their dreams and feel part of “the Circus Family”.

Performance Troupe Coaches

Splendour in the Grass

Little Splendour

Performance Troupe Show

"Impossible"

I'm
possible

FOTC are very grateful to Llama for the wonderful costumes.

Petite Rig Pirate Show

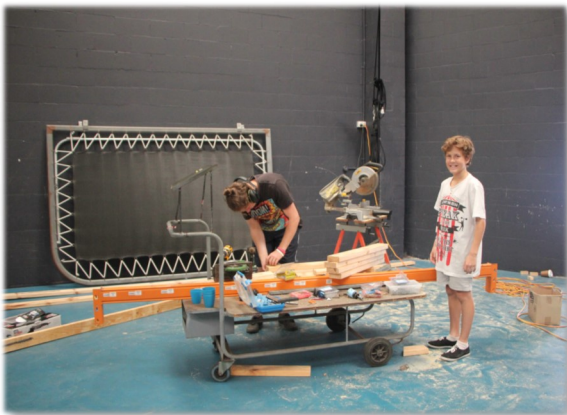

FOTC financed specialist training on the petite rig.

And then there was a Tramp Wall.....

FOTC were able to finance the building of the Tramp Wall

§ new springs and mat for the trampoline.

Bring it on 2019
